Ride® Java Cushion

Posture control and excellent seating stability. Manages heat and moisture. Lightest cushion in its class (0.8-1.6 kg).

Skin indications

- Moderate to severe skin risk*
- Moderate to severe muscular atrophy
- Normal to affected sensitivity
- Incontinence protection

Posture indications

- The pelvis is relatively easy to compensate for or achieves a balanced seating position by adapting the cushion with the available accessories.
- Moderate to severe posterior-anterior tilt of the pelvis.
- Strong tendency of sliding

* No cushion can eliminate seating pressure or prevent pressure ulcers completely. The Ride Design cushions are not a substitute for good skin care, including proper nutrition, cleanliness and regular use of pressure-relieving techniques.

Delivery time for Ride Designs products is 4-15 workdays.
